2 Title of course/seminar: Curso de Formación específica. Las mil palabras de una imagen. Los textos clásicos del 'peplum'

Goals of the course/seminar: El curso ha tenido por objetivo hacer un repaso breve, pero panorámico, transversal y ligado a los textos que les dieron origen, del cine dedicado a los romanos, o ligado con ellos de alguna manera. Es la historia de Roma, a través de los textos de distintos autores, recogida en la literatura y el cómic, pero especialmente el cine y las series de TV. Es una innovación docente que en esta Universidad comenzó a aplicarse con gran éxito en las Asignaturas de libre elección, que ha seguido en la aplicación didáctica del MUPES, y al que ahora hemos dedicado este Curso Extraordinario para darlo a conocer a quienes quieran aprender y aplicar sus enseñanzas en sus clases de Cultura Clásica y Latín o Griego en los distintos centros. De hecho, las materias tratan prácticamente todos los principales aspectos de la historia y cultura de Roma, los géneros diversos de la literatura latina -en especial la historia, ciertamente, pero no sólo- y todos los temas de la vida diaria, política y cotidiana, ejército y espectáculos, arquitectura y religión, a lo largo de los distintos siglos de la historia de la Ciudad eterna
